Dulux® WeatherGUARD™ Latex Flat starting from **\$25.33**, regular price **\$37.99**, is specially formulated to guard against extreme weather conditions, it helps prevent cracking, chipping and peeling providing outstanding durability. With long lasting colour retention it ensures your exterior surfaces look greater for longer. **Dulux® Interior Latex Velvet Matt**, starting from **\$27.33**, regular price **\$40.99**, is high hiding washable finish with excellent adhesion which is easy to apply and touch up.

Dulux® Kitchen & Bath Latex Eggshell, starting from **\$29.33**, regular price **\$43.99**. This steam and moisture resistant paint is also formulated to provide a washable finish that delivers a mildew, stain and grease resistant paint film ensuring your kitchen and bathroom looks great for longer. It's 100% acrylic for a tough, durable finish. Available in eggshell and semi-gloss only.

WoodPride™ Acrylic Solid Hide Stain starting from **\$18.66**, regular price **\$27.99**. WoodPride™ series of stains come in a broad range of colours, and helps enhance the natural beauty of wood. They resist cracking, peeling and blistering and gives wood a water repellent, mildew resistant finish.

Glidden® Pro Interior Latex Flat, starting from **\$18.66**, regular price **\$27.99**, is a fast drying, non-yellowing paint that allows you to refresh your existing colours while keeping budget in mind. Available in all sheens.

Keep a wet edge

When brushing or rolling, always work from the dry surface back into the wet paint, working fast enough to keep a wet edge. If you are going to take a break, do it in a corner, never in the middle of a wall. This will help avoid roller marks in the painted surface.

On sale from July 27 to August 23.
