

We're your neighbourhood pizzeria!

Welcome to the Neighbourhood!

Keeping up with a busy schedule is a lifestyle many people undertake. Here at Pizza Pizza, we would like to remind you that we are in your neighbourhood and would like to do our part to make things a little easier for you.

Pizza Pizza is a neighbourhood favourite providing customers the best tasting pizzas with over 30 toppings to choose from. We also offer salads, sandwiches, chicken wings, desserts and much more.

As a way of treating you like a special neighbour, we would like to offer you a large pizza with 3 toppings for only \$5!

Just bring this letter in to your local Pizza Pizza and enjoy one of our delicious pizzas to take-out or dine-in. We'll make you feel right at home anytime, everytime.

Yours truly,
Your local Pizza Pizza Team
